2016 State School Bond Allocation

Bond Allocation	
K-12 New Construction	\$3.0 Billion
K-12 Modernization	\$3.0 Billion
K-12 Charter Schools	\$0.5 Billion
K-12 Career Technical Education	\$0.5 Billion
Community Colleges	\$2.0 Billion

Jobs

A State School Bond will leverage local school bonds to create construction jobs.

- **Each \$1.0 billion in bond funds creates 13,000 jobs in diverse construction trades.** Those jobs and the sales tax on materials would increase state revenues that would help offset bond principal and redemption costs during the first 4 to 5 years.
- School projects typically can be under contract within 90 days. This means that state and local funding will provide an immediate economic boost.

Proposition 51
Kindergarten through Community College Public Education
Facilities Bond Act of 2016
Sample School Board Resolution

WHEREAS, the California Constitution finds public education is a State responsibility in Article IX Section 5; and

WHEREAS, Article 1 Section 28 states that public schools shall be safe, secure and peaceful; and

WHEREAS, the State has met its constitutional responsibilities since 1982 by providing consistent State bond resources through programs contained in Division 1, Part 10, Article 12 and Article 12.5 of the Education Code; and

WHEREAS, the State is out of school facility funds and cannot provide the State match for almost \$2 billion in projects filed under current law; and

WHEREAS, the _____ School District has \$_____ in facility need which may be partially funded by State bonds; and

WHEREAS, Proposition 51 - the Kindergarten through Community College Public Education Facilities Bond Act of 2016 - provides for renovation and upgrade of existing classrooms, construction of new classrooms to accommodate growth, and for career technical education facilities to provide job training to meet the trained workforce needs of California's employers; and

WHEREAS, the California unemployment rate is greater than the national unemployment rate; and

WHEREAS, 13,000 middle class jobs are created for each \$1 billion in school facility infrastructure investment; and

WHEREAS, these jobs will be created throughout California and will include almost all building trades; and

WHEREAS, the new Local Control Funding Formula and Local Control Accountability Plan are intended to improve educational achievement for all students but do not provide dedicated facilities funding; and

WHEREAS, quality 21st Century school facilities designed for student needs of today and tomorrow enhance academic achievement and further the State's academic goals; and

WHEREAS, Proposition 51 - the Kindergarten through Community College Public Education Facilities Bond Act of 2016 - will not raise State taxes; and

WHEREAS, the Proposition 51 - Kindergarten through Community College Public Education Facilities Bond Act of 2016 - State matching funds will reduce the need for additional local property taxes for school facilities.

NOW, THEREFORE BE IT RESOLVED, that the _____ School District supports Proposition 51 - the Kindergarten through Community College Public Education Facilities Bond Act of 2016.

Passed, approved, and adopted this (date) _____.
