

RESOLUTION NO. 040115  
BOARD OF EDUCATION  
SOLANA BEACH SCHOOL DISTRICT  
SAN DIEGO COUNTY, CALIFORNIA

**SUPPORT OF A STATE BOND FOR SCHOOL FACILITIES**

**WHEREAS**, the California Constitution finds public education is a State responsibility in Article IX Section 5; and

**WHEREAS**, Article 1 Section 28 states that public schools shall be safe, secure and peaceful; and

**WHEREAS**, the State has previously met its constitutional responsibilities through the state funding match of the School Facility Program contained in Division 1, Part 10, Article 12.5 of the Education Code; and

**WHEREAS**, the California unemployment rate is greater than the national unemployment rate; and

**WHEREAS**, the School Facility Program, if funded with State school bonds, provides for career technical education facilities to provide career technical job training to meet the trained workforce needs of California's employers; and

**WHEREAS**, the School Facility Program is out of funds and cannot provide the State match for almost \$2 billion in projects filed under current law; and

**WHEREAS**, 13,000 middle class jobs are created for each \$1 billion in school facility infrastructure investment; and

**WHEREAS**, these jobs include almost all building trades and the jobs will be in all parts of California; and

**WHEREAS**, these construction jobs would be immediately available since many school districts, including Solana Beach School District, have projects that depend on availability of State matching funds; and

**WHEREAS**, a State bond encourages local communities to place local bonds on the ballot, further enhancing the stimulus effect; and

**WHEREAS**, the new Local Control Funding Formula and Local Control Accountability Plans are intended to improve academic achievement for all students but does not include facilities proven to help ensure academic success; and

**WHEREAS**, academic goals cannot be achieved without 21st century school facilities designed for instruction to meet today's and tomorrow's students' academic needs; and

**WHEREAS**, State school bonds do not raise State taxes;

**NOW, THEREFORE**, the Solana Beach School District finds and declares that it supports placing a new State school bond on the 2016 ballot to allow the citizens the opportunity to decide if the State partnership should be funded through a new State school bond.
